ILA & FSCJ Partnership

To empower our applicants, in addition to scholarship, ILA has partnered with FSCJ to offer workshops focusing on success in college to include financial aid, time management, career selection, academic pressures and more. These workshops are offered throughout our application year and will focus on being successful in college.

Our fund began as an effort to assist local graduating seniors and returning college students with scholarships for tuition. Original recipients were residents of Duval County, but for the past several years, the recipient demographic has expanded into other counties in the state of Florida.

Our scholarship recipients serve their communities in many areas.

- **Habitat for Humanity**
- **Breast Cancer Awareness**
- **Shriner's Hospital**
- **March of Dimes**
- **United Way of NE Florida**

ILA Local 1408 Scholarship Fund
Port of Jacksonville, Inc.

The International Longshoremen's Association (ILA) Local 1408 Scholarship Fund, Port of Jacksonville, Inc. is a 501(c)(3) nonprofit organization established in 1995. As we proudly celebrate **31 years of service**, our commitment remains steadfast to support qualified high school graduates and returning college students in achieving their educational dreams.

We extend our heartfelt **gratitude to you** for your participation in this year's Golf Scholarship Tournament and invite you to help us expand our impact by encouraging others to join this important cause. To date, the Fund has awarded **more than \$1.5 million in scholarships to over 1,200 students**, many of whom are first-generation college students, creating opportunities, access, and lasting change for generations to come. Last year we gave out **\$80K in scholarships**, including a record single award of **\$10K** to one student.
